Side Note:

Winterthur is interested in anyone from the Guild who would like to volunteer to teach quilling, or volunteer to quill during their special events. They have Terrific Tuesdays during the summer when they have children come into the museum to learn the various things that folks did to entertain themselves and would like to have someone to teach quilling. They also have events during the year, they would like to have someone sitting and quilling while visitors walk through the mansion. Let me know if you are interested.
